

City of Anthony's Annual

Holiday Haul

We invite you to be a sponsor for a great cause!

Last year the Holiday Haul provided a jacket and a toy to 281 elementary students in our community. This year we are hoping to make that number even bigger. We invite you to become a sponsor, the children would kindly appreciate your help.

Their smile when receiving a jacket and a toy is priceless. If you would like to sponsor a child or want more information on other ways to contribute to the event, please contact:
