**5. PRESENTATION**

**a. Presentation of the Finance Reports for February 2025, *Presented by the Finance Director.***

*The Finance Director provided an overview of this month's revenues, stating that no additional adjustments are anticipated. The Small Cities Assistance funds have been received, bringing total revenues to \$3,364,134.04. All departments remain well within their projected expenditures, resulting in a surplus of \$596,627.27. Trustee Garcia inquired about the percentage of the total budget allocated to staffing costs. The Finance Director reported that this figure currently stands at 64%, which is below the average of 75%-80% observed in other municipalities. Trustee Garcia and MPT Holguin expressed concerns regarding the next fiscal year's budget, particularly given rising costs. They emphasized the importance of thoroughly evaluating all expenditures and revenue sources. Additionally, Trustee Garcia intends to seek assistance from the City Attorney regarding fireworks fees, as the city received significantly lower revenue from this source compared to previous years.*
